

# NADINE UWASE

IB Student

## CV objective statement

A proactive and determined recently graduated IB Student with a passion for Economics, seeking to pursue the subject at a prestigious international university. I am to apply my strong analytical, research, and leadership skills to understanding economic systems, addressing development challenges, contributing to innovative and sustainable solutions for society.

## Extracurricular activities: school based

*SOS HGIC | Ghana, Tema | November 2024 – Present*

### 1. Apex Project Sales And Logistics Team Subhead

- APEX was our class of 2025 Project, which aimed to support underprivileged students in Community 8 at JHS School.
- I committed to working in the sales and logistics team
- Managed project budgeting, sales operations, and logistics
- Collaborated with peers to ensure profitability and successful execution.

### 2. Sports: Volleyball , Hockey, Handball And Football

*SOS HGIC | Ghana, Tema | June 2021 – present*

- I love doing sports that are stated above especially, volleyball. I started playing volleyball since 6th grade till now in HGIC.
- I was selected to be captain of the team, encourage my hostel members to participate and train them, so that we successfully for finals in the ISAAG volleyball tournament. We won second place for two consecutive years.
- ISAAG is a national tournament in Ghana where several schools compete in various sports including the stated above.
- I participated in ISSAG such as hockey, handball, and football
- Inter-hostel competition in volleyball, Kutin's Cup and friendly match with other schools.
- By competing with other schools formed excellent relationships and made new friends.

### 3. Positions

*SOS HGIC | Ghana, Tema | October 2023/2024 – present*

#### International students' head

- An entrusted leader of over 120 international students for 2023/2024 year.
- Committed to excellent service as a leader by listening to the voice of international students to meet everyone's needs.
- Balanced leadership responsibilities with academics, strengthening communication and problem-solving skills.
- Achievements:
  - Provision of tablets for international students due as phones were not allowed during school days, and couldn't afford tablets

## Non-school based: Beacon of Hope Club

*Kayonza, Rwanda | July-August 2024 ( Vacation)-still ongoing.*

- A club in Kayonza SOS village in Rwanda that aims to support and help the children and families.
- A VICE PRESIDENT of the club
- It started in June 2024 during our summer break and is still ongoing.
- The club symbolizes our mission to be a source of light and hope for those we aim to help.
- As an international student I had 2 months of summer break before returning school which allowed me to improve essential skills and experiences.
- Strengthened leadership and communication skills while driving social impact.
- Organized the ideas with our president of the club to present them to the director of Kayonza SOS Village.
- Had a broad connection with my peers, and community as well.
